

Bill Treasurer's Leadership Essentials Academy

“Our leadership development work with Giant Leap Consulting has helped transform our company. We see Giant Leap not as a vendor, but as a trusted strategic partner for developing our people and strengthening our business.”

- Craig Atkinson, Vice President of Strategic Services, Walsh Construction

60+ Videos

Our most comprehensive course yet! It speaks directly to the plight of the new leader and is divided into three parts: Leading Yourself, Leading People, and Leading Work.

4 Special Guests

From an FBI hostage negotiator to a world record-setting hiker, to a luminary in the field of diversity, equity, and inclusion, to a retired navy seal. Learn real lessons from incredible leaders.

Resources

Downloadable and sharable materials, a self-rated 360 survey, quizzes to retain lessons, and planning questions so you have a summary plan when you've completed the course.

Are you looking to deepen your leadership skills? Based on 3 decades of experience working with thousands of leaders across the globe, this course captures the essentials that every leader needs to master to get great results.

Features:

Divided into 8 modules this self-paced online course helps new leaders sidestep common mistakes.

Reflections at the end of each module encourage participants to put the lessons they have learned into practice.

The concepts are broken into essential and understandable segments that provide the practical guidance and support that leaders often don't get.

Learn the basic building blocks to gain both competence and confidence, take on greater responsibility and learn what it takes to be and stay a leader.
